

# ALLAN SMITH

Owner/ Managing Partner

## ABOUT ALLAN

Allan's more than 35 years in the fertilizer, chemical and seed industry uniquely qualify him to lead Atlantic Golf and Turf. His experience in the trucking, warehouse and logistics industry brings untold advantage to AG&T's customers who rely on timely deliveries. Outside of the office Allan's time is spent with various allied industry groups as well as serving on many town, church and other community service committees. Allan's real joy comes from spending weekends with family, tending to 60 or so head of grass-fed Black Angus cattle or farming some of the 200 acres of land at his family's Handy Lane Farm in Colrain, MA.

## ATLANTIC GOLF & TURF

Atlantic's Company philosophy is to promote responsible Turfgrass Management including IPM. We focus on maximizing program benefits by introducing improved grass varieties, balancing the soil health, thus minimizing inputs producing superior results. Annually, we work with our clients to write science-based programs that ensures respect to the environment while accomplishing their goals. This multi-faceted collaborative approach is what sets Atlantic Golf and Turf apart from the crowd! Let us show you how to maximize the return on your agronomic investment!
