

GREGG MACKINTOSH

Turfgrass Specialist
Co - Owner

ABOUT GREGG

Gregg grew up in the golf industry as his father was a golf course superintendent. Gregg became a superintendent at Twin Brooks Golf Course on Cape Cod, then advanced his carrier at Widows Walk in Scituate, MA. While at Widows Walk GC Gregg became the north east agronomist for their management company; which was very rewarding and introduced him into sales. Gregg enjoys helping his customers figure out their agronomic approach to their properties.

Gregg also loves golf, fishing and has been a beekeeper for the past 20 years and helps others learn.

Direct sales rep of control products for golf and lawn care.

Widows Walk GC

1999-2001

Worked with the town on finishing the tree lines and understory cleanout. Implemented and completed the National Audubon program for the course.

ATLANTIC CARES

Atlantic's Company philosophy is to promote responsible Turfgrass Management including IPM. We focus on maximizing program benefits by introducing improved grass varieties, balancing the soil health, thus minimizing inputs producing superior results. Annually, we work with our clients to write science-based programs that ensures respect to the environment while accomplishing their goals. This multi-faceted collaborative approach is what sets Atlantic Golf and Turf apart from the crowd! Let us show you how to maximize the return on your agronomic investment!
